

# Sacramento State Golf & The "15th Club"

Welcome to the "15th Club". This booster organization has been created to assist current and future Hornet Men and Women golfers. Boosters play a large role on and off the course. Golfers are only allowed to have 14 clubs in their bag, by joining the "15th Club" you will change the dynamics of Sacramento State golf. Specifically as a booster you will provide dollars for team meals, team bonding activities, in addition to providing both teams the opportunity to compete in more tournaments, more scholarship awards and build the recruitment of future talent. By joining the program you will be a key part in the growth of the team and its future success. Be a part of the success and join today!
